

Public Meeting Announcement

Miller/Walker Creek Basin Plan

The Cities of Burien, SeaTac, and Normandy Park; and King County are working in partnership with other agencies to develop a basin plan for Miller and Walker Creeks.

The project partners invite you to attend the second public meeting on the project, on Thursday March 18, 2004.

The project partners have continued assessing the existing conditions and evaluating concerns about habitat, water quality, and stormwater flow. They have begun to set priorities and identify tentative recommendations for the basins. They will be sharing this information at the public meeting.

Date: March 18, 2004

Time: 6:30 – 8:30 PM

Location: Washington State Criminal Justice Training Center
19010 1st Avenue South, Burien, WA 98148
